Strong 35%  
Proficient 54%  
Weak 11%

Leonardus has demonstrated a proficient or strong level of knowledge in 89% of the subject matter.

## Application Ability:

Leonardus has demonstrated significant ability to apply his/her knowledge to practical applications.

IKM assessments are designed to measure overall proficiency in a subject and depth of knowledge in specific sub-topics. This score report does not provide a criterion-referenced interpretation, pass/fail score or standard of performance. Please note that test results, in isolation, are not pure predictors of success in employment or any given role. Other indicators, such as prior experience, references and interviews, should be considered prior to any employment or business decisions.
